There are NO paper forms for motion or delegation submission, including requesting reasonable adjustments. You must use the Online Conference System (OCS) instead. See next section for full information.

Information on how to submit motions and delegations using UNISON's Online Conference System (OCS)

Which branch officers can use the OCS? Motions can be submitted at branch level by the Branch Secretary, the branch Equal Opps Officer or the Branch Disabled Members' Secretary. Branch employed staff are also able to enter motions but do not have authority to submit them on behalf of a branch. Delegates can be submitted at branch level by either the Branch Secretary or the Branch Chair.

At regional level, the regional secretary is authorised to submit the motion/delegation, with the regional convenors receiving an instant e-mail copy. This process is replicated at national level for national bodies and their relevant chairs and secretaries.

Which members can use the OCS? When a member is registered as a delegate to a conference, they will receive an e-mail informing them of this as long as their e-mail address is listed on the RMS. They can then also access the OCS to make online requests for services such as reasonable adjustments, crèche places and babysitting, which should be made by the stated deadline.

How will these people access the OCS? Users access the OCS via the UNISON website at www.unison.org.uk and clicking on 'My UNISON' - which is located at the top of the front page. Using your UNISON membership number and surname, register once and you will be issued with a password. For subsequent access, simply click on 'My UNISON' and then 'Sign-in now' and you will need your membership number and the password you were issued. Branch employed staff should call their regional contact.

What if the correct branch people have accessed 'My UNISON' but then cannot access the OCS? Key to accessing the OCS is ensuring that the data held on UNISON's membership system, the RMS, is correct. It records which members hold the key positions of Branch Secretary and Branch Chair. If this information is incorrect, or if it changes, the branch needs to ensure that the RMS records are updated immediately. Then the individual should call their regional contact.

What else needs to happen? It will help the system to function if these key branch people also have an e-mail address stored on their RMS records. Please contact your branch or regional RMS team urgently, to make this happen. Each delegate within a delegation should also have their date of birth stored on the RMS.

Delegates and Visitors to Conference: It is important that we collect e-mail addresses for those disabled members wishing to participate in any way in the conference. The e-mail address can be any one that you have easy access to e.g. your personal e-mail, branch e-mail or that of a friend or relative.

- If you already have an e-mail address and access to the UNISON website, the quickest way to update your details is to go to the UNISON website and click on the Update Your Details box – you will need your UNISON membership number.
- If you don't have an e-mail address or don't have access to the UNISON webpage, you can contact UNISONdirect on 0800 0857 857 and provide them with the details of your preferred e-mail address to update your UNISON Membership records – you will need your UNISON membership number.
- Or, you can contact your local UNISON branch and provide them with the details of your preferred e-mail address to update your UNISON membership records – you will need your UNISON membership number.

Branch Representation

Each branch may send ten delegates to the conference.

National and Regional Representation

The following bodies are eligible to send two delegates (at least one of whom must be female): Regional Disabled Members' Groups, National Black Members' SOG, National Women's SOG, National LGBT+ SOG, National Young Members' Forum and National Retired Members' Organisation.

Business submitted for the Conference may only be moved by a delegate from the submitting body. Therefore if your branch or regional disabled members' group submits motions, amendments and amendments to Standing Orders or the Constitution, please ensure you send a delegate to move these items.

Branches and regions are particularly encouraged to plan meetings of disabled members' groups in accordance with the conference schedule to allow their delegates to be better informed of the conference procedures. Regions are also encouraged to hold training sessions on the procedures for conference in advance of conference, this should help increase members participation at the event as well as provide a valuable opportunity for delegates to network on broader organising issues

Regional meetings will be timetabled into the conference programme for 2019. Regional groups are also advised to consider designating one or two of its delegation to act as liaison representatives between regional and branch delegates.

Funding of Places

Branches or regions are responsible for providing funding for their delegates to national self-organised conferences to cover accommodation, subsistence, to meet the costs of dependent care (including babysitting whilst at Conference) and personal assistance costs. Only travel costs will be reimbursed to branches and regions from central funds.

Branches are reminded that they should consider their funding arrangements when determining the number of delegates they are sponsoring to this event. Branches may apply for additional funding from the region to meet the cost of access needs associated with sponsorship to this event, contact your regional officer for further advice. Additional national funding for branches with identified exceptional circumstances may be available to support the attendance of disabled delegates at this event if the branch is at risk of suffering financial difficulties; application should be made in writing to the Finance Officer. Further advice about applying for additional funding is available from Tim Bertuchi on 020 7121 5467.

Late delegate registrations will not be accepted. There will be no exceptions to this.

Proportionality and Fair Representation

In line with all other UNISON conferences, the principles of proportionality and fair representation contained in the NEC's Scheme of Branch Representation will be applied to encourage participation of groups such as young and low paid members in particular.

In response to the concerns raised by branches in seeking to fulfil the requirements of proportionality and fair representation, the National Self-Organised Group has changed the thresholds for the low paid female seat and young member seat for this conference.

The 4th seat must be a low paid female
The 5th seat must be a young member.
If these seats are not filled, no further delegates may be submitted.

The OCS will not flag up this requirement at the start of the registration process, but will make checks before the delegation is submitted.

We will review the impact this has on branches' ability to send delegations.

- 1) The gender make up of the delegation must be based on the gender make up of the branch.
- 2) If the delegation only comprises one full delegate, then this delegate may be male or female.
- 3) Branches sending 4 delegates must include one low paid female member in the delegation.
- 4) Branches sending 5 delegates must include one young member in the delegation (i.e. age 26 or under at end of conference)

Transgender members

UNISON applies strict rules on proportionality in branch conference delegations, to ensure proper representation of women. Members who are in the process of transitioning gender may not yet have changed their UNISON membership details. For example a member may wish to attend Disabled Members' Conference as a woman, but still be attending work as a man. Members will be registered for Disabled Members' Conference as the gender in which they will attend the Conference, irrespective of their gender recorded on the RMS.

To ensure that branch delegations including transgender members are not rejected on the grounds of proportionality, please contact the Conference Office on 020 7121 5123 with information on any online delegate submissions which include members attending conference in a different gender to that recorded on the RMS. Their confidentiality will be respected at conference.

Fitness to Attend Conference

With the introduction of Fitness to Work sick notes are slightly different now. Members who are off sick from work may have an illness/condition which means they can't perform some tasks but can perform others. They may have a fitness to work certificate which means they return to work with certain caveats – e.g. places limits on the types of tasks they can perform at work and duration.

So if a member is not at work and off sick and wants to attend the Disabled Members' Conference they need to ask for a note from their GP indicating they are fit to attend the conference (travel/sitting for long periods). We also advise them to get a note from their employer agreeing to their attendance at conference, as this may be a different activity from those at work which they are not able to do.

Members should send a copy of the Fitness to Attend note to the Conference Team in advance of the conference. This information will be treated with confidentiality.

My Requirements *IMPORTANT INFORMATION*****

From now on, requesting 'Extras' such as Reasonable Adjustments or Facilitators on the Online Conference System (OCS) can only be done by the registered delegate themselves. Once a delegate is registered, the OCS will automatically send out an e-mail to the person with a web link which they can click on to access the OCS and input the Extras they require. For any

assistance, please contact your regional conference contact from the list in this bulletin, this can be found on page 3.

Reasonable Adjustments

UNISON aims to provide a fully accessible event to disabled members in accordance with our duties under the Equality Act. Requests for reasonable adjustments must be submitted by **5pm, Thursday 18 August 2022**.

For any reasonable adjustments required, please complete the request online by the stated deadline. Authorisation for personal assistance/facilitation is required from your Branch Secretary that this expenditure will be approved.

Please remember that BSL Interpreters will only be available if requested in advance.

While we work within the context of the social model of disability this does not mean that UNISON can automatically provide all resources that are requested as adjustments. We have to consider the finite resources available both in terms of space and finances in order that we can balance our commitment to the social model with the resources available, and channel them to where they are needed most.

Members requesting seating, tables, footrests, which impact on the space available on the floor of conference, will be asked what barriers they face that require this adjustment for their participation.

While not requesting detailed personal information, UNISON will require sufficient information in order to understand the barriers faced to get the right resources to the right people for this Conference. This will assist us in making adjustments that are meaningful and appropriate to the individual.

The union will determine the allocation of limited resources. If necessary, this may include reserving the right to seek additional information.

We will apply a necessary cut off point for requests, as close as possible to the conference while not impacting on the requirements to produce regional seating plans in good time for advance circulation. The deadline is **5pm, Thursday 18 August 2022**. We will retain a limited ability to respond to unexpected circumstances that affect a delegate at short notice prior to the conference.

Personal Emergency Evacuation Plan (PEEP)

If a delegate or visitor from your branch requires a PEEP for the conference venue, please ask them to indicate this with their online request.

Crèche and Babysitting

Please note that crèche provision is available **for delegates only** for children up to the age of 16 years. Arrangements have been made for Nipperbout, the company contracted to provide crèche facilities at all UNISON national conferences, to provide babysitting. Should you require this service please complete the online request by **5pm, Thursday 18 August 2022**. Delegates are reminded that the cost for babysitting is borne by the branch so authorisation is required from your branch secretary that this expenditure will be approved.

Please help us to help the environment

We're doing our best to reduce the environmental impact of our conferences. This year, we are providing all delegates with the chance to opt out of being sent paper copies of our conference materials as part of the delegates' despatch. All these documents will be available online via the conference app, and on the UNISON website. You can then download them onto your laptop or tablet to view online while you are at conference. If you wish to opt out please indicate this on the 'Extras' screen options on the Online Conference System (OCS). If you do not opt out, you will be sent all documentation in hard copy form.

Visitors

Branches can also apply for visitor places, subject to availability, on a first come, first served basis. The National Disabled Members Committee has agreed that UNISON visitors can attend all sessions of conference, which includes service group meetings and caucus meetings. UNISON visitors should only attend the service group meeting which applies to their membership i.e. local government members should attend the local government meeting and Caucus meetings where they identify with that group. Non UNISON visitors can only attend the main conference plenary sessions. All visitors have no speaking or voting rights during all sessions of conference.

Change of Delegate

Branches may change delegates up to the start of Conference. A member registering as a substitute branch delegate must have been eligible to represent the branch at the closing date for registration of delegates on **Thursday 4 August 2022**. Any changes must be in accordance with the scheme of branch representation.

After **11.59pm, Monday 24 October**, no more changes can be made on OCS. If a branch needs to make an emergency change to its delegation after this date, then an 'Emergency Change of Delegate Form' will need to be completed. This form will be available on the UNISON website from **Tuesday 25 October** and will also be available at the conference desk at Brighton.

Travel Arrangements

Please consider the impact on the environment when making your decision on how to travel to Conference.

Branches are asked to book all travel arrangements for Conference through Stewart Corporate Travel via email at unison@stewarttravelmanagement.com or call [0800 091 4272](tel:08000914272). Please advise Stewart Corporate Travel if your delegates have railcards. Branches are reminded that:

- Travel costs for **Delegates only** will be funded from National Office
- Travel costs for **Visitors** must be paid for by the branch. Please note that a booking fee is applicable – further details from Stewart Corporate Travel.

Driving is discouraged for conference unless delegates are travelling together or as a reasonable adjustment. Total reclaimable will be the cost of standard tickets **or** cost of car travel – whichever is the lesser.

All travel requests (including 1st Class Travel) as a reasonable adjustment must be reviewed and authorised by the Head of Conferences.

Accommodation

Branches are encouraged to arrange accommodation through Brighton's Accommodation Booking Service, VisitBrighton. Using the booking service supports the work of our members in local government and ensures our continuing ability, as a not-for-profit organisation, to secure preferential rates for our conference venues.

To book accommodation for this event, please use the following link:

<https://book.passkey.com/go/UNDMC22>

You can also email: delegates@visitbrighton.com or telephone 01273 292626

Prepaid Cards

Union Income Ltd have agreed to provide a corporate version of its prepaid card still with the UNISON branding. If your branch requires a prepaid card then this is the card that is the preferred option above others generally available.

An application will normally take about 14 working days to turnaround and you can request an information pack and application form by contacting:

UNISON Prepaid Plus Customer Services, 39-51 Highgate Road. London NW5 1RT or email customerservices@unisonprepaid.com

Credit Cards

If your branch does not specifically require a prepaid card the other best option is a credit card from Unity Trust Bank called Unity Corporate MultiPay Card. It is more flexible and is linked to branch current account. Details of the Corporate MultiPay card and further information on how to apply are available from their website at www.unity.co.uk/multipay. To help branches switch to this Unity Trust credit card, the bank has agreed to waive the one off administration fee of £50 for all current ALTO card customers who apply for a Multipay card.

Caucus Group Involvement - network meetings

UNISON campaigns to ensure the voices of under-represented groups are heard in society and within our union. Within our disabled members groups we have found that women, Black and LGBT+ disabled members and Deaf (BSL) members are under-represented and experience particular barriers to access. These national meetings are therefore an excellent opportunity for disabled members from these underrepresented groups to identify motions to submit to national disabled members conference and to organise and network.

There are four caucus groups as follows:

Black disabled members

Women disabled members

Lesbian, gay, bisexual, transgender plus (LGBT+) disabled members

Deaf (BSL users) members

The network meetings are free events with travel and accommodation paid for nationally and the meetings are open to all disabled members who identify as from one of these under-represented groups.

Travel should be booked via Stewart Travel using standard fare – and must be booked well in advance to avoid expensive fares.

All meetings are being held at the **UNISON Centre, 130 Euston Road, London, NW1 2AY**

A maximum of three motions are invited from National Disabled Members' Committee, Regional Disabled Members' Groups, Branch Disabled Members' Groups, and National Caucus Groups. This includes motions to amend Standing Orders and motions to amend the national Disabled Members' committee Constitution.

There is no limit to the number of amendments or emergency motions that can be submitted online by each of the above bodies.

A maximum of two motions and two amendments are invited from National Young Members Forum, in line with rule D.6.2.2

There is no limit to the number of emergency motions that can be submitted by any of the above bodies.

Order of Business and Prioritisation

At this year's conference the order of business will be based on a prioritisation process. The email will ask these groups to detail, in order of preference, six motions from the final agenda that they consider should be given priority for debate at conference. Individual members can take part in this process by attending the relevant regional or caucus meeting. The deadline for submission of priorities is **21 October 2022**.

Official Collections at Conference

This year the Standing Orders Committee has set a deadline of **5.00pm** on **Saturday 29th October 2022** for it to be advised of requests for organisations/campaigns to be included in any official collection at Conference.

Data Protection

The information you provide via the OCS, in addition to your information held on UNISON's membership database, will be used for the organisation and administration of Conference. It may also be used for statistical purposes as this helps us plan future conferences. We will process your personal data in compliance with the requirements of the Data Protection Act 1998 (DPA) and the EU General Data Protection Regulation 2016 (GDPR). You can find out more about how UNISON processes your personal data by going to unison.org.uk/privacy-policy or emailing dataprotection@unison.co.uk.

ADVICE FROM DISABLED MEMBERS' STANDING ORDERS COMMITTEE ON SUBMISSION OF MOTIONS AND AMENDMENTS

1. WHO CAN SUBMIT MOTIONS AND AMENDMENTS?

Branch Disabled Members' Groups
Regional Disabled Members' Groups
National Disabled Members' Committee
National Lesbian, Gay, Bisexual and Transgender Plus (LGBT+) Caucus
National Black Members' Caucus
National Women's Caucus
National Deaf (native British Sign Language Users) Caucus
National Young Members Forum

2. HOW MANY?

Each body, except for National Young Members Forum, may submit a maximum of three motions (this includes Amendments to Standing Orders and Amendments to NDM Constitution), all of which have the same deadline for submission.

There is no limit to the number of amendments to motions each body may submit, except for National Young Members Forum.

National Young Members Forum can submit up to two motions and two amendments (in line with Rule D.6.2.2).

3. HOW?

A motion or amendment must be agreed at a properly convened meeting of the submitting body. The text must be sent to the Standing Orders Committee, via the Online Conference System (OCS).

4. COMPETENCY OF MOTIONS AND AMENDMENTS

A competent motion is one that works within the rules of the union and the Conference. Only competent motions are allowed on to the agenda for Conference. The Standing Orders Committee decides whether motions are competent.

To qualify as a competent motion, the text of the motion must contain action. Action points should be clear, showing exactly what type of action is required and who needs to do it. A motion should ideally contain the following elements:

Who; What; When: Where; Why and How.

Who: Who does the motion affect?
Who is causing the need for change?
Who can achieve/initiate/resolve the required action?

Important: Action should be directed via the National Disabled Members' Committee. Do not use phrases such as "We believe that UNISON should do something" or "We call on Conference to do something" or "Conference resolves to do something".

Who should be instructed? Remember you may only instruct the

National Disabled Members' Committee.

Motions that instruct the National Executive Council or other bodies in the union are not competent. Instead, use a phrase like "Conference asks the NDMC to call on the NEC to do something".

- What: What is the issue?
 What is its effect?
 What action is required?
- When: When did the issue arise? (An important consideration for emergency motions). When does the action need to be taken?
- Where: Where is the problem? (A particular region or area?)
 Is there a particular place the action is needed?
- Why: Why is it an issue?
 Why is the action needed?
- How: How can the issue best be resolved?

Your motion may not need to contain all of these elements. It is sometimes better to make these points as part of your speech when moving the motion at Conference. Making a bullet point list under each of these headings will help focus on the issue, preferred action and outcome. Make the list and then tick off each point as you put it into the text of your motion.

The Standing Orders Committee will check that the motion:

- (a) is received within the published deadline as well as being submitted by an appropriate body, via the Online Conference System (OCS) by the deadline stated.
- (b) is appropriate for the NDM Conference. It must deal with issues specifically related to disabled members, and not issues of a general nature (citizen issues) that are the business of the national delegate conference; service conditions/service sector issues that are the business of the service sector conferences; or regarding UNISON's policies for the Labour Party that are the business of the Affiliated Political Fund Members' Conference. Motions may relate to disabled members' specific views on general issues;
- (c) only instructs the NDMC, not other bodies or UNISON as a whole. May instruct NDMC to liaise with/call upon other sections of the Union;
- (d) does not commit the Conference to spend National Funds, either directly or through the NEC. However general campaigning commitments may be made, as Conference decides policy and the NDMC interprets how to achieve the policy;
- (e) does not contravene Union rules, for example, on offensive language;
- (f) does not contain instruction for unlawful action.

If the Standing Orders Committee satisfies itself that the information on which the motion is based is not correct, it will rule the motion out of order.

All the above is also applicable to amendments. In addition:

- (g) amendments must refer to an original motion;
- (h) amendments cannot change a positive motion into a negative one;
- (i) amendments must not contradict the intention of the motion;
- (j) a mover may not amend their own motion;
- (k) amendments must not introduce substantially new subject matter to the extent that they unduly change the balance of the motion;
- (l) amendments must not delete the main point of a motion and introduce completely different issues instead, thereby changing the substance of the motion.

Regional Disabled Members groups may be in a position to give further support or guidance to branches groups on how to construct competent motions.

5. WHAT ARE EMERGENCY MOTIONS?

Emergency motions relate to events or issues that arise after the deadline for motions or amendments.

The Standing Orders Committee may invite the submitters of an emergency motion to meet with the Committee at Conference, for them to explain why in their view the motion constitutes an emergency, prior to taking a decision on competency.

In addition to complying with ordinary criteria, emergency motions:

- (a) should only refer to issues/events that occurred after the closing date for motions or amendments. In particular, the action called for must be something that could not have been included in a motion and submitted within the normal deadlines;
- (b) must state why the motion was not submitted within the normal deadlines.

The Standing Orders Committee will want to satisfy itself that the subject matter of the motion cannot be dealt with in another way.

6. WHAT ARE CAUCUS MOTIONS?

The Black Members' Caucus, LGBT+ Caucus, Women's Caucus and Deaf Members' Caucus have rights, within the Standing Orders, to submit motions, amendments and emergency motions to the agenda.

Each of these caucus groups prior to Conference may submit up to three motions. There is no limit on the number of amendments, or emergency motions.

For caucus motions, if an issue affects one member of caucus, it could legitimately affect the whole caucus, and therefore the subject matter is valid. However the actual text of the motion must contain sufficient content and context to make it specific and relevant to the caucus.

For example:

- (a) the action called for should affect or benefit caucus members;
- (b) the action called for could include working directly with organisations or campaigns specifically relevant to the caucus;
- (c) it is not sufficient to make a single mention of caucus members in the body of the motion.

7. SOCIAL MODEL OF DISABILITY

UNISON policy on the Social Model of Disability derives from Motion 117 at 1995 National Delegate Conference and Motion 131 at 1996 National Delegate Conference.

“Conference believes it is a basic fundamental right of all to have equality of opportunity and access to the employment of their choosing. Conference further believes that this right is denied disabled people, not because of any medical conditions, but because of inherent institutionalised discrimination. Society must remove the socially constructed barriers that create and perpetuate such discrimination.”

“Conference calls for the immediate adoption and implementation of the following measures:

d) The abolition of the registration scheme and disabled employees and the outdated traditional medical individual model or ‘disability’ that underpins this and the Government’s Department of Employment interventions. This would be replaced by self-definition according to the Social Model definition of disability which would recognise that it is the physical, structural, economic and political barriers in society that disable people with impairments face.”

“This Conference resolves to adopt the Social Model definition of disability to underpin all its policies and practices on disability issues. This model demonstrates that disabled people are disabled by society not by their conditions.”

Branch and regional disabled members’ groups and the National Disabled Members’ Committee are therefore urged to take the following points into account when drafting texts for conference:

- (a) emphasis should be placed on the way society organises to exclude, segregate, disenfranchise disabled people, for example in areas such as transport, education, employment, health care provision, social activities;
- (b) motions and amendments should not refer to peoples’ impairments as being responsible for problems in relation to exclusion, segregation, disenfranchisement and discrimination;
- (c) UNISON does not support a hierarchy of disability and does not promote one form of exclusion above another and is committed to opposing all forms of discrimination against disabled people.

The Standing Orders Committee hopes that the above guidance on the Social Model will assist branch and regional disabled members’ groups and the National Disabled

Members' Committee to draft motions and amendments that reflect UNISON's Social Model of Disability.

This guidance document was last updated: May 2012 (to reflect the introduction of the Online Conference System).
